JULY MEETING

The July meeting of LE-HI-HO will be held on Sunday, July 25, at 2:00 P.M. in the Fireplace Room of the Unitarian Church of the Lehigh Valley, 701 Lechaweki Avenue, (Fountain Hill) Bethlehem, Pa. The church is located two blocks south of 1500 Broadway.

AUGUST MEETING CANCELLED!

Please note the cancellation of the August meeting. Also, please inform your friends who may plan to attend the meeting and do not receive this notice. There will be no further notification.

LE-HI-HO TELEPHONE DISCONNECTED!

Effective July 15th our telephone has been disconnected. At a recent meeting of the Board of Directors, the telephone performance of the past year had been reviewed. Due to the great number of crank calls, the average monthly cost of \$15.00, and the few "good" calls received, we, the Board felt that the phone was not worth the cost in time and dollars. Persons who want to contact us will have to write to us at the post office box.

THIS IS THE LAST ISSUE OF THE LE-HI-HO NEWSLETTER!

This is the last issue of the LE-HI-HO newsletter to be published. This publication will be replaced with a short news bulletin which will only be sent to members of LE-HI-HO. The news bulletin will not be published on a regular basis, but will be mailed only when there is important news to be passed along to our members. The news bulletin will not contain advertising. The time required to sell the ads and to work up the copy each month has proven to be too much work for the small staff of the newsletter. True, there are ads out there to be had, and selling ads provides income for the group, but we would need more help than we now have to continue this pace each month. This month we printed two ads at an income of \$7.20. We turned down three ads that would have provided an income of \$14.00. Time did not permit us to work on these ads.

If you have been a subscriber to the Newsletter, we will send you a refund check, in the near future, for 25¢ for each copy not received. We hope this will prove satisfactory to our subscribers.

If you had been receiving this newsletter with our compliments, we thank you for your interest in our movement. Groups within the movement that have been exchanging newsletters with us, we regret we will not be sending you our newsletter. If you wish to keep our group informed, we will still maintain the P.O. Box and will be happy to hear from you. If our news bulletin would be informative to your group, we will send it along with our membership mailing if we can get the help to send out to the entire mailing list.

The greatest problem we face, and the reason for the termination of this publication is the lack of interest on the part of the local people, and their unwillingness to help with our workload. To meet a monthly deadline each and every month takes lots of work for many people. The same few persons can't be expected to carry the burden of every issue.

STONEWALL WEEKLY

The Stonewall bar in Allentown has been publishing a very interesting news sheet on a weekly basis that will serve to keep the local Gay

community informed of important happenings in the Gay movement. The publication comes out each Wednesday. Look for it next time you visit the Stonewall.

LOCAL NEWSPAPER DISCRIMINATES:

An attempt was made to place an ad in the Bethlehem Globe-Times about our DRAFT INFORMATION pamphlet. The display advertising department was telephoned and the ad read to the women who answered the phone. After taking all the information, she asked me to wait a minute. The next voice was that of a man. He identified himself as the business manager

of the display advertising department. He said the ad did not meet their standards and they refused to print the ad. He informed me that they had this right. He would not explain what did not meet their standards. An Attorney was contacted and he stated that they have a right to refuse ads not fit to print, but in this case they seemed to be stretching their right. The matter is being looked into.

This is how the ad was to appear: HOMOSEXUAL - DRAFT INFORMATION
